

PRISM PROPANE SERVICES OF OHIO, LLC 2020-21 PROGRAMS

Solutions to fit your propane needs:

- Residential heating
- Commercial heating
- Grain drying
- Forklift cylinders
- Autogas motor fuel
- Nearby bulk storage facilities

PRE-BUY PRICE PROTECTION PLAN:

(enrollment ends 9-30-2020)

- Buy all your propane in advance at a guaranteed price!
- Your price is just \$1.39⁹ + sales tax/gallon.
- If you use all your Pre-buy propane, you will be included in our Standard Price Protection Plan.
- Any Pre-buy propane left over after 3-31-2021 will be credited to your account (not as gallons). **Please note this is placed as a cash credit on your account .**
- Pre-buy gallons are delivered after we receive your contract.

BUDGET BILLING:

- Budget billing plans are offered to customers who qualify.
- Please contact our office for more information.
- Current budget customers will stay on the budget if the balance on your true up bill is paid in full.
- 12 month budget plans

SECURITY PLAN (CAPPED PRICE):

(runs through 3-31-21)

- Customers are automatically entered in this plan unless signed up for the Pre-buy Program.
- The price through this period will not exceed:
 - Auto-fill customers: \$1.59⁹ (\$1.53⁹ customer owned).
 - This is a year-round program. If you do not want a fill please contact our office.
 - Will-call customers: \$1.74⁹ (\$1.68⁹ customer owned)
- This option guarantees a capped price per gallon for the entire contract period, yet allows you to take advantage of potential lower prices.

Delivery notice:

No deliveries will be made if there is a past due balance on your account.
